intelligent

SPIRAL AIR HEAT GUN

Rapid temperature rise

ACCURATE TEMPERATURE CONTROL

Four characteristics

Automatic sleep

Exact temperature

Heat up quickly

Use safety

Scope of use

Appliance Repair
Board soldering
Phone Repair
Heat shrinkable tube
Solnde 858A

The wind direction of the spiral evenly heats

Product parameters

Model	SLD-858A
Product name	Hot air station
Power	700w
Weight	1.385kg
Input voltage	220VAC 50/60Hz
Temperature control range	150°C ~ 500°C
Airflow	≈170cm/s
Air volume gear	A25~A99
ambient temperature	0°C ~40°C
Machine size	L150*W100*H135mm
Package Size	L265*W165*H155mm
