HOT AIR GUN SOLDERING STATION

Rapid temperature rise

ACCURATE TEMPERATURE CONTROL

Four characteristics

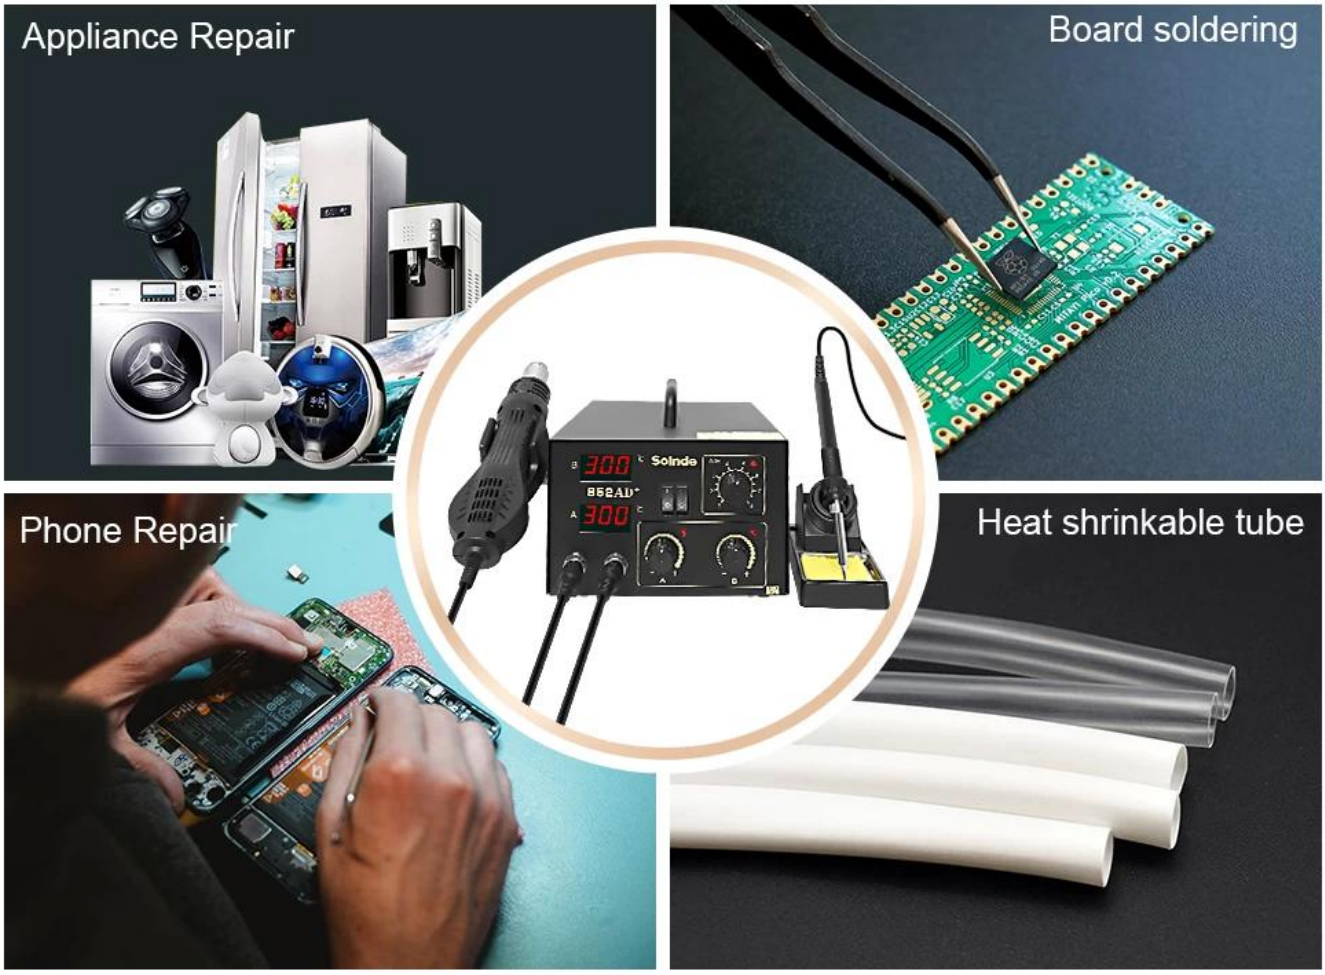
Automatic sleep

Exact temperature

Heat up quickly

ceramic heating element

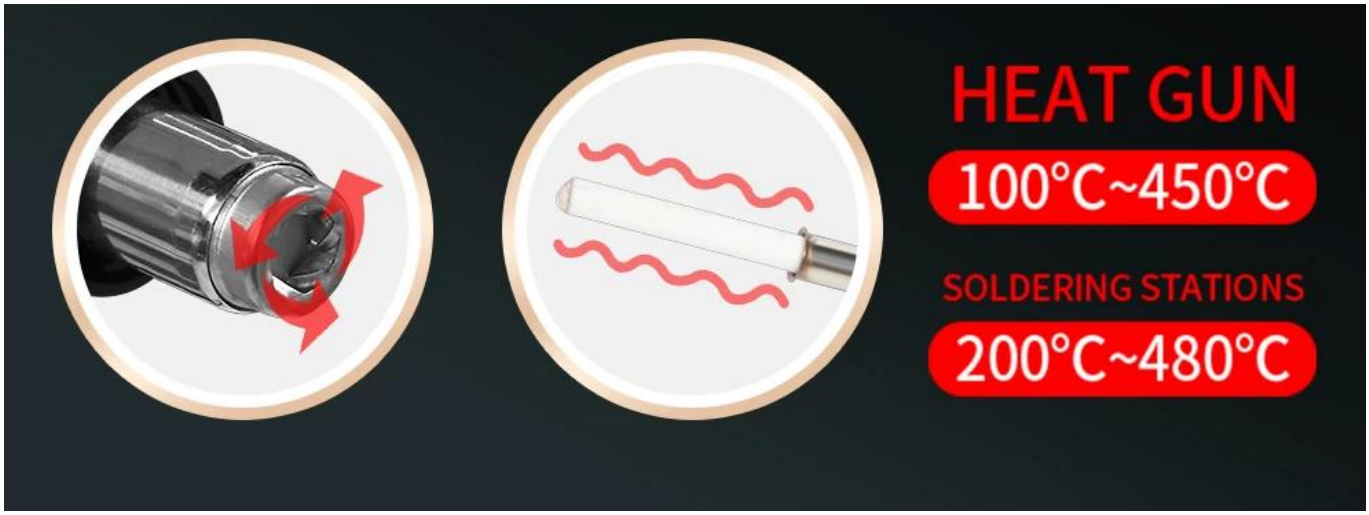
Scope of use



Appliance Repair
Board soldering
Phone Repair
Heat shrinkable tube
Solnde
852AD+

Simultaneous use of hot air gun and soldering station

rapid heating
Durable and smart



HEAT GUN
100°C~450°C
SOLDERING STATIONS
200°C~480°C

Product Description

Front

Behind

Product parameters

Model	SLD-852AD+
Product name	Hot air station
Power	600w
Weight	5kg
Input voltage	220VAC 50/60Hz
heat gun temperature	100°C ~ 450°C
Soldering station temperature	200°C ~ 480°C
Airflow	≈160cm/s
Air volume gear	A25~A99
ambient temperature	0°C ~40°C
Machine size	L185*W245*H125mm
Package Size	L265*W165*H155mm

205mm
275mm
340mm
ESD SAFE
SMD REWORK STATION
MADE IN CHINA
