Precautions for use

- The tweezers are made of metal and have sharp tips. Do not inhale them for the sake of safety or use them for long periods of time or damage.
- When working on electrical components, always be sure to first unplug the appliance or power to prevent electrical shock.
- Do not use the tweezers for applications such as sharp objects, or working with things as they may break the tips of the tweezers.

ABOUT US

Shenzhen Jinliyang Technology Co., Ltd is a professional large-scale manufacturer of Power bank and repairing tools for communication products.

With 20 years abundant experience in manufacturing and wholesale industry, we have set up subsidiary companies one by one in some cities in China and built up a complete sales network. Depending on quality products and the tenet of honesty and credit, we have established good long term cooperation with customers all over the world. Our brands "BEST" and "SUYOU" have been know abroad, and CE and Rohs certificates of our products are approval.

"Sincerity oriented and credibility is the first" is our service tenet.
