

Features

1. 静音运行
2. 节能环保
3. 噪音低至70000soomthly
4. 使用寿命长

Description

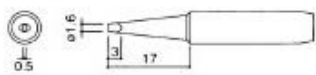

Name :	Welding head	Model :	900M-T-1.6D
Brands :	BEST	Specification :	1.6D
Size :	41mm	Weight :	73.5g
Material :	Copper, iron, nickel and chromium		
Feature1 :	Oxygen-free copper material imported raw materials, thermal fast		
Feature2 :	Up and down the tin and smooth, stable performance after welding joints smooth, uniform		
Feature3 :	Take the tin and smooth, life over 70,000 solder joints		
Feature4 :	Overall use of special machinery and production process, the precise size		
Feature5 :	Electroplating using advanced nanotechnology, with superior corrosion, oxidation resistance		

Size

No. 900M-T-1.6D
