

Available for electricians

## 20A multimeter pen

Compatible with 99% multimeter, soft silicone cable, accurate measurement, superconducting probe

Freezing and high  
temperature resistant

Alloy  
Steel Needle

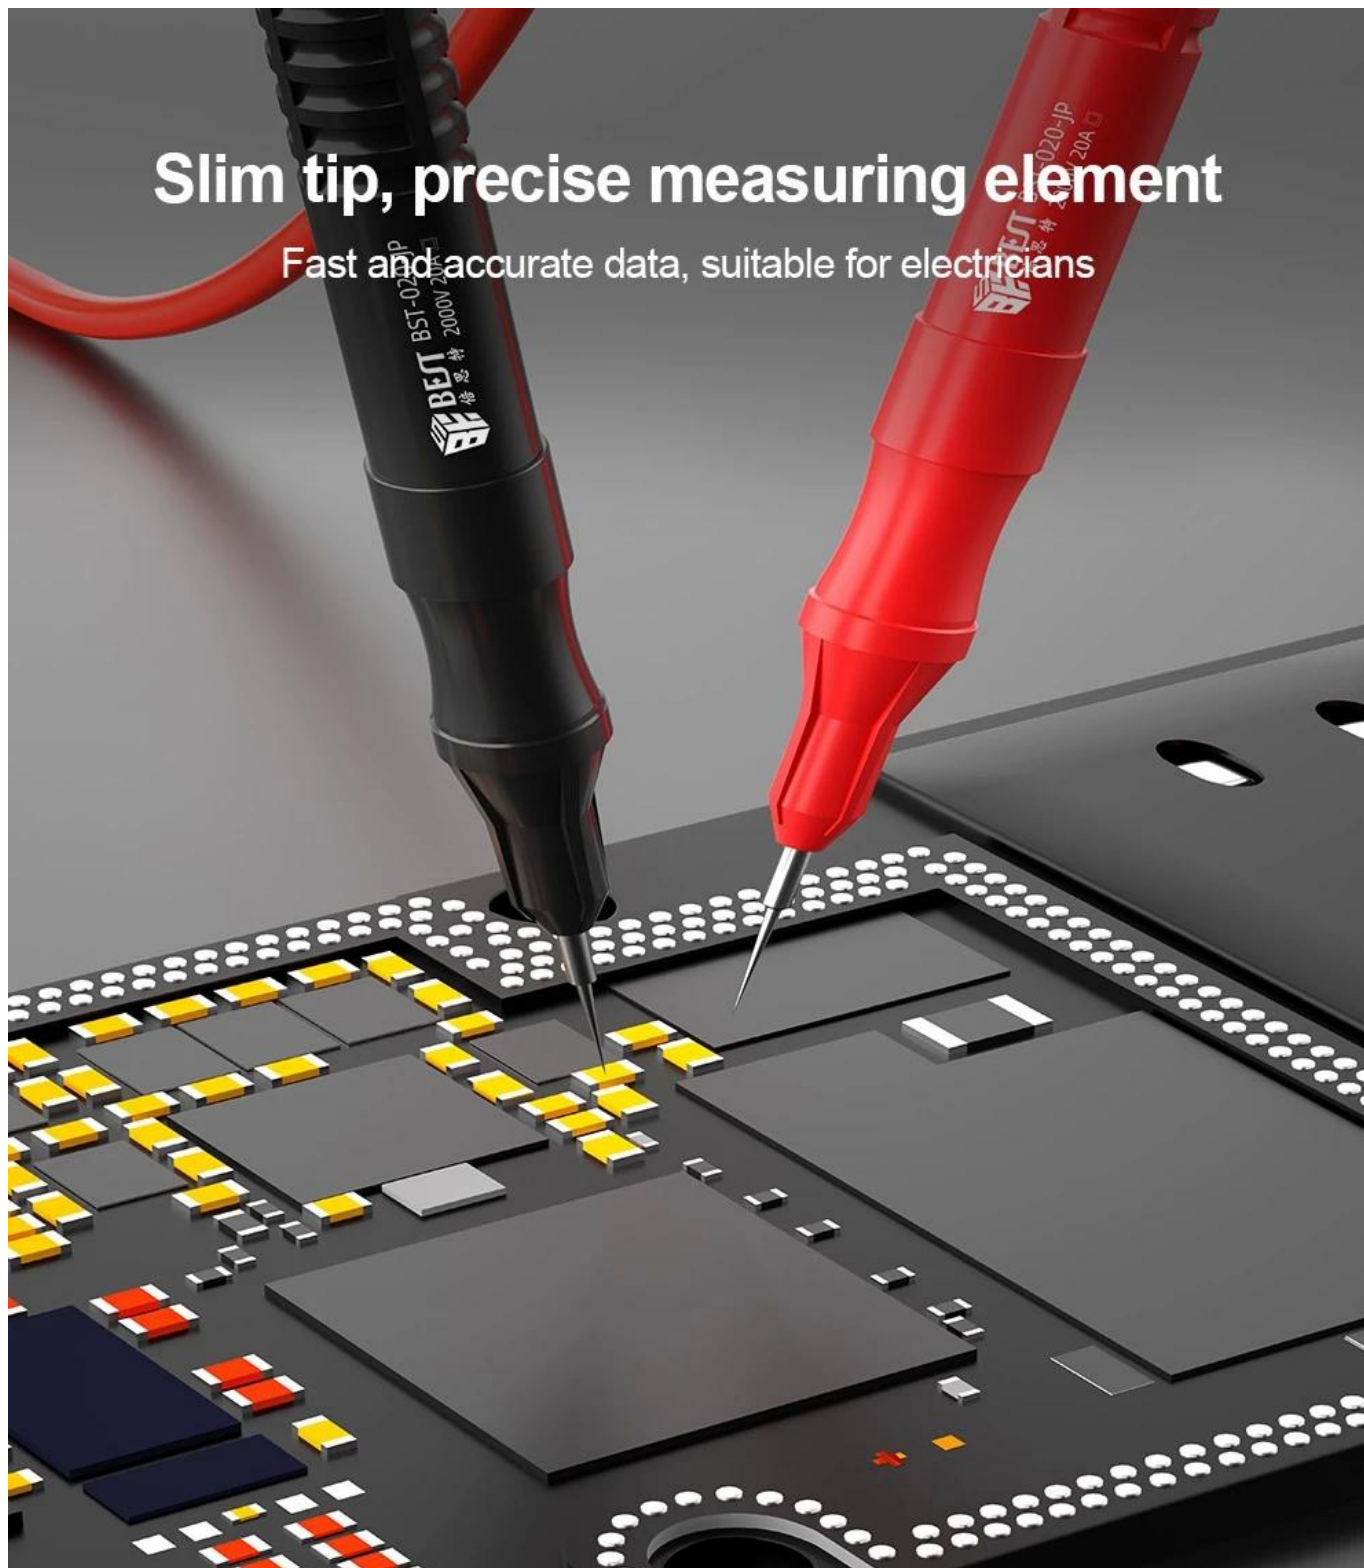

Anti  
-break design

High precision  
high sensitivity

# Slim tip, precise measuring element

Fast and accurate data, suitable for electricians

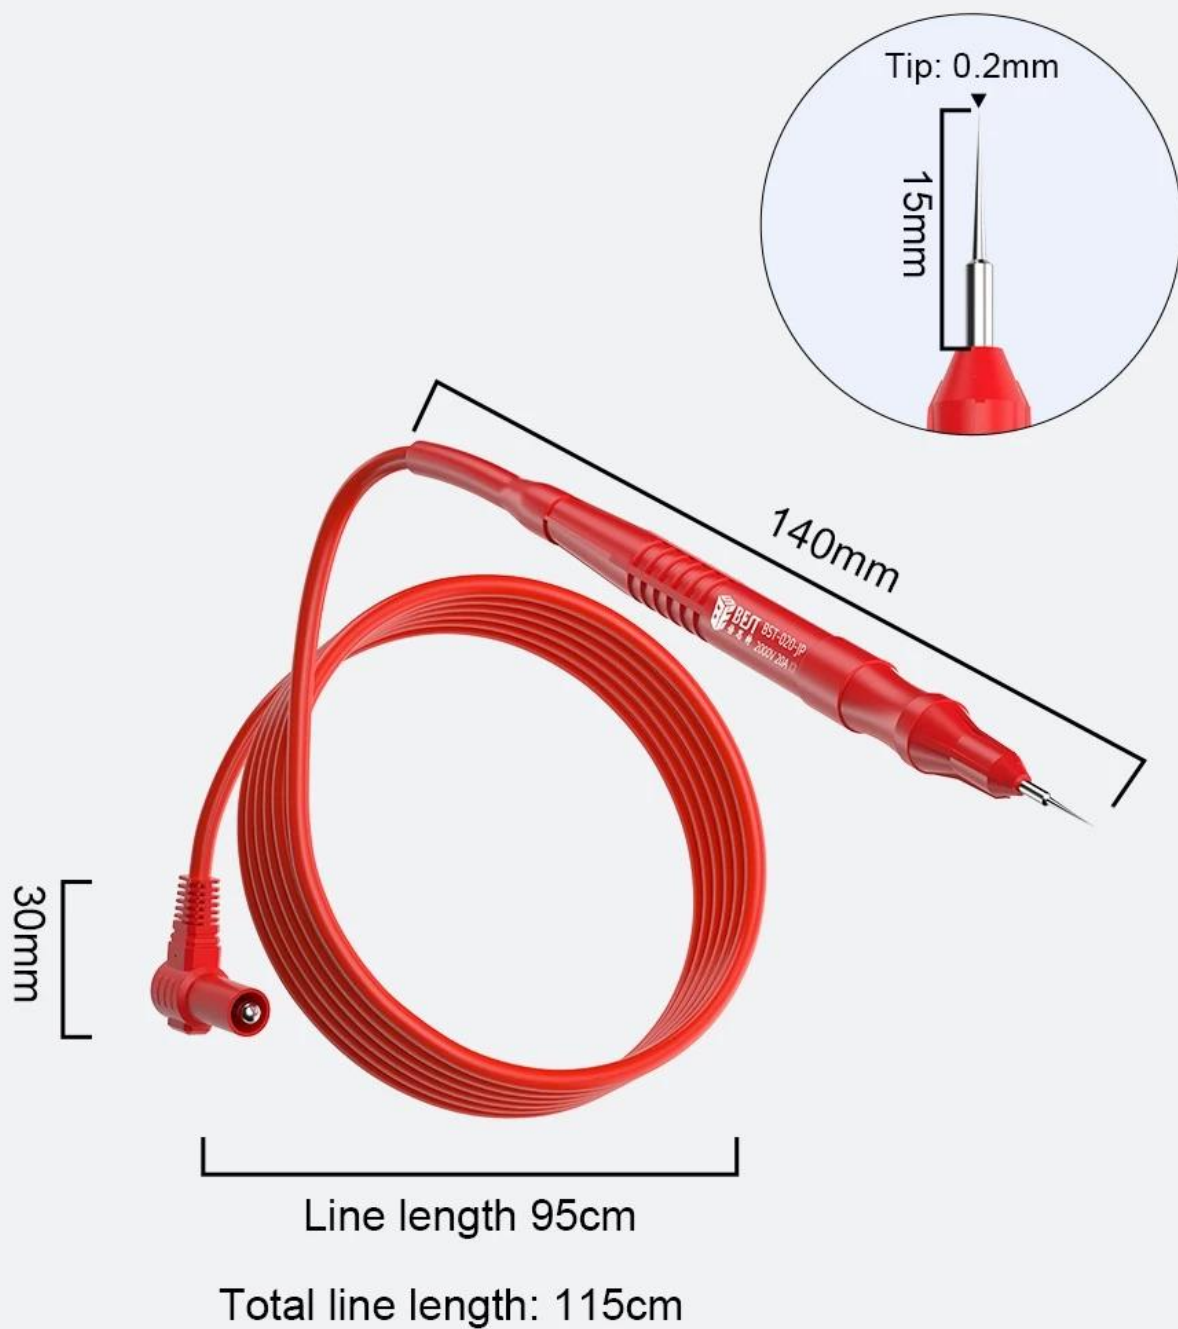

## Bold pure copper wire

High-quality materials cast good quality, copper wire is more accurate, double-layer protective rubber sleeve
