

此产品符合RoHS指令要求 (RoHS Compliant) 环保无铅产品

50 506-产品 : 50g 罐装

产品符合RoHS指令 / 符合REACH指令 / 符合CE认证 : 符合RoHS指令

本产品为无铅焊膏，符合RoHS指令，符合REACH指令，符合CE认证。本产品为环保无铅产品，符合RoHS指令。

产品规格 : s.g 50g 80g 250g 罐装。

PRODUCT DISPLAY

PRODUCT DETAILS

Name: Solder paste

Model: BST-506

Size: $\phi 37 \times 30$ mm

Weight: 50g

Composition: Sn63/Pb37

Melting point: 183°C

Storage: Chilled in refrigerator, the best refrigeration temperature is 5°C~10°C.

Features: 1. New technical support, unique chemical formula provides excellent wettability, ensuring high reliability.

2. Use highly effective thixotropic agents to effectively prevent the collapse of printing and preheating, and ensure good printing and fine pattern.

3. More advanced thermal insulation technology, adhesive durability, not easy to dry, sticky time up to 48 hours.

4. High quality, unique formulation, perfect performance, easy to weld, bright and full of welding spot, no such phenomenon as false welding or false welding.

5. The residue is colorless and transparent. It does not affect the monitoring, cleaning and cleaning performance.

6. Good moisturizing and dry resistance. Under normal temperature, the shelf life is longer, which is suitable for mobile phone maintenance, computer digital maintenance industry, high precision circuit board SMT welding, BGA process welding, etc.
