

intelligent

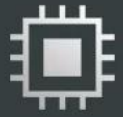

SPIRAL AIR HEAT GUN

Rapid temperature rise

ACCURATE TEMPERATURE CONTROL

Four characteristics

Automatic sleep

Exact temperature

Heat up quickly

Use safety

Scope of use

Appliance Repair

Board soldering

Phone Repair

Heat shrinkable tube

The wind direction of the spiral evenly heats

rapid heating
Durable and smart

150°C~500°C

Product Description

Front

Behind

Product parameters

Model	SLD-858A
Product name	Hot air station
Power	700w
Weight	1.385kg
Input voltage	220VAC 50/60Hz
Temperature control range	150°C ~ 500°C
Airflow	≈170cm/s
Air volume gear	A25~A99
ambient temperature	0°C ~40°C
Machine size	L150*W100*H135mm
Package Size	L265*W165*H155mm

155mm

165mm

265mm
