# Heat-free screen removal clamp

Powerful suction cup | Safe screen removal | Does not damage the cable
Does not damage the camera | Easy to operate

Fixed to the wall

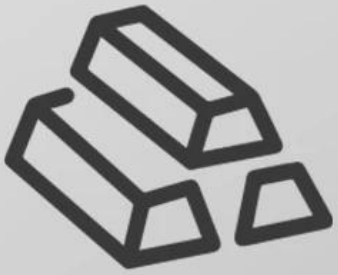
## Product features

**High temperature resistance**

Heat resistance

**Anti-corrosion**

Corrosion resistance



**High quality steel**

High quality steel

**No limit to the model**

Unlimited models

unbreakable

# The strong suction cup is stable and will not fall off

**The force is even, the security is stable and reliable, easy to absorb and not easy to fall off.**

Trim fixing

# Fine adjustment fixation does not damage the fuselage
