

intelligent

# SPIRAL AIR HEAT GUN

Rapid temperature rise

ACCURATE TEMPERATURE CONTROL

# Four characteristics

Automatic sleep

Exact temperature

Heat up quickly

Use safety

# Scope of use

Appliance Repair

Board soldering

Phone Repair

Heat shrinkable tube

The wind direction of the spiral evenly heats

rapid heating  
Durable and smart

# Product parameters

Model	SLD-858A
Product name	Hot air station
Power	700w
Weight	1.385kg
Input voltage	220VAC 50/60Hz
Temperature control range	150°C ~ 500°C
Airflow	≈170cm/s
Air volume gear	A25~A99
ambient temperature	0°C ~40°C
Machine size	L150*W100*H135mm
Package Size	L265*W165*H155mm

155mm

165mm
