

Mobile phone screen dedicated

CUTTING DIAMOND WIRE

High tensile strength

High hardness/high toughness/various specifications optional

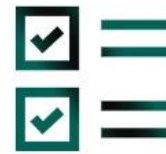

Six characteristics

HIGH EFFICIENCY

GOOD TOUGHNESS

VARIOUS SPECIFICATIONS

CARBON STEEL WIRE

EASY TO OPERATE

LONG LASTING

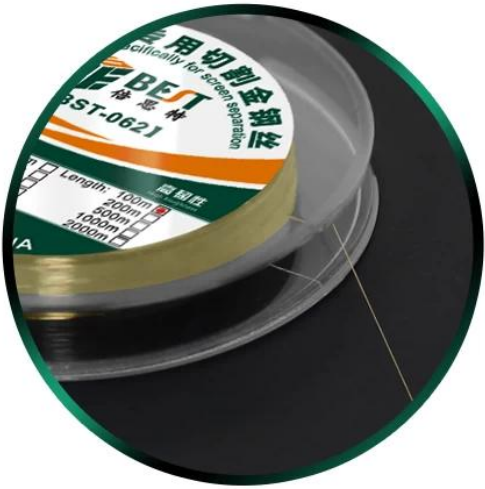

diamond wire

High hardness | High toughness

Electroplated carbon steel material, not easy to break, high tensile strength

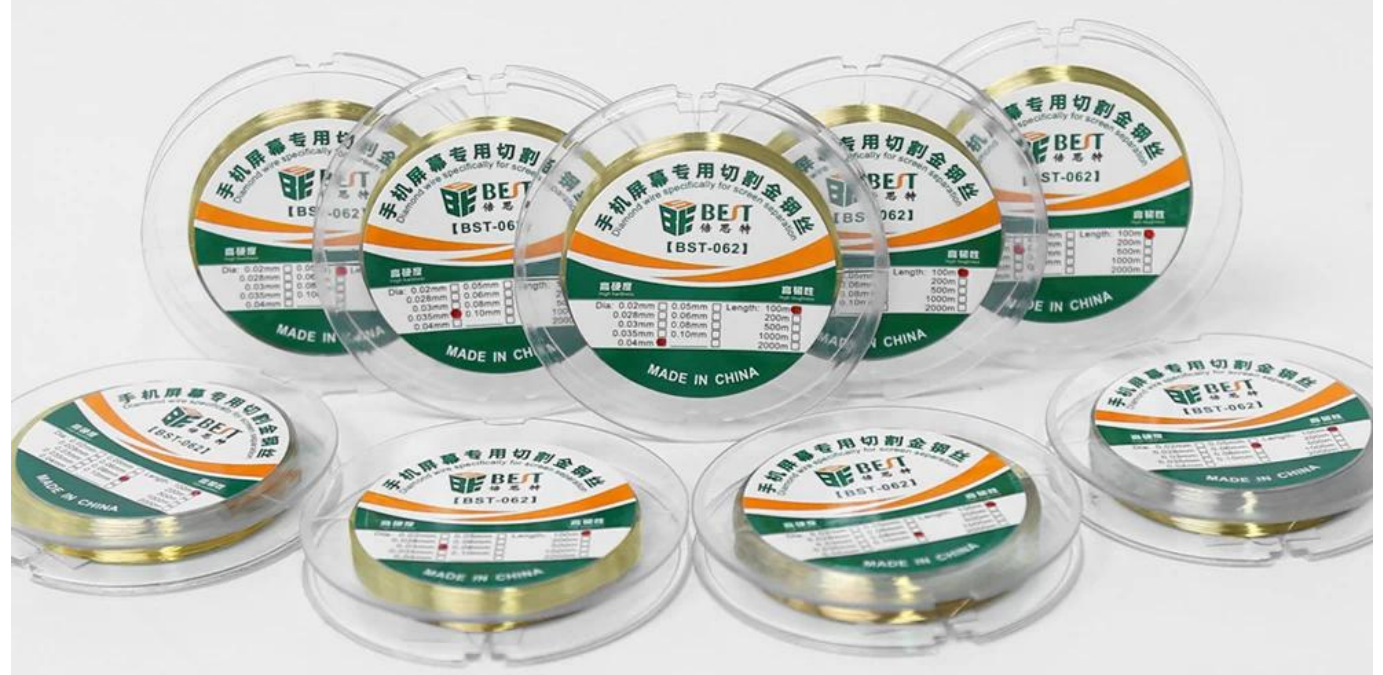

diamond wire

Various wire diameters are available

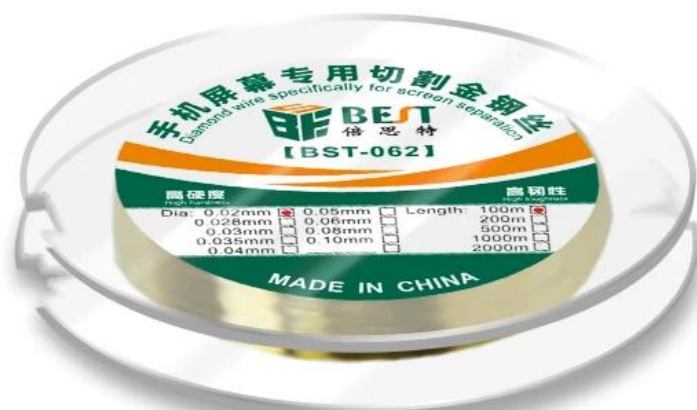

0.02/ 0.028/ 0.03/ 0.035/ 0.04/ 0.05/ 0.06/ 0.08/ 0.10m m
100 meters long line to meet your work needs

APPLICABLE SCOPE

Detachable screens for mobile phones, tablets, computers, etc.

diamond wire

Mobile phone screen separation dedicated

Fast splitting, strong wear resistance, long service life

PRODUCT PARAMETERS

Name

Cutting diamond wire

Model

BST-062

Material

Carbon steel

N.W.

7.3-12g

Diameter0.02/0.028/0.03
0.035/0.04/0.05
0.06/0.08/0.10mm**length**

100m

Product Size

50*50*7.3mm

*The above dimensions are all measured by hand
If there is any error, it is within 1-3mm
