

intelligent

DIGITAL SPIRAL HEAT GUN

Rapid temperature rise

ACCURATE TEMPERATURE CONTROL

Four characteristics

automatic sleep

Exact temperature

Heat up quickly

Use safety

Scope of use

Appliance Repair

Board soldering

Phone Repair

Heat shrinkable tube

The wind direction of the spiral evenly heats

rapid heating
Durable and smart

100°C~500°C

Product Description

Front

Behind

Product parameters

Model	SLD-858D
Product name	Spiral Heat Gun
Power	700W
Weight	1.40kg
Input voltage	220VAC 50/60Hz
Temperature control range	100°C ~ 500°C
Airflow	≈170cm/s
Air volume gear	A25~A99
ambient temperature	0°C ~40°C
Machine size	L150*W100*H135mm
Package Size	L265*W165*H155mm
