## PRODUCT DETAILS

Name: solder ing paste

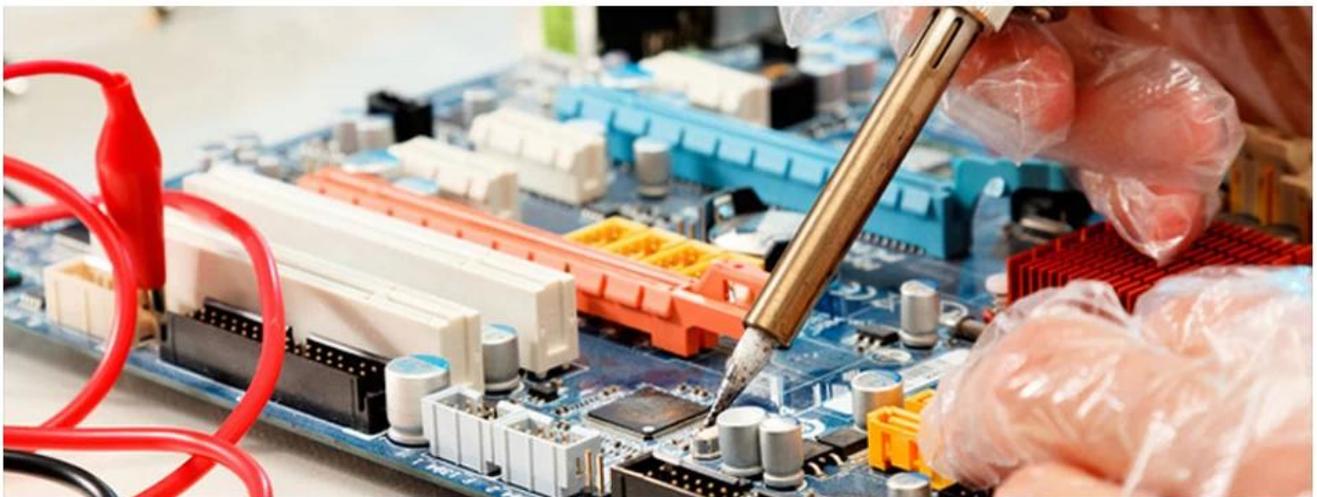

Model: BST-223A

Size:  $\phi$  35\*20mm

Weight: 19.5g

Viscorage: 180 Pa•S

Granularity: 3/ $\mu$ m

**Storage:**Chilled in refrigerator,the best refrigeration temperature is 5°C~10°C.

**Feature:** 1.Using the USA SMT original material.

2.Made of high quality alloy solder powder and resin type pre paste flux mixture.

3.The fluxing effect is excellent.

4.Easy to remove and clean, environment-friendly and smokeless.
