

BST-211A / B Resistencia a altas temperaturas de metal de doble cara desmontar
herramienta de palanca de palanca de rodillo de palanca

Descripción del producto

Nombre del producto	desmontar la barra de cuervo
Marca	BESTTOOL
Embalaje	98mm * 60mm 46.7g
Peso	A: 21.8 g B: 22.3 g
Talla	A: 145 mm B: 149 mm

Descripción del producto

ROLLER METAL CROWBAR

Precision ruler

High temperature resistance

High toughness

Product Usage

MODEL	BST-211A,B
PACKAGE DIMENSIONS	210mm*68mm
GROSS WEIGHT	46.7g
NET WEIGHT	A:21.8g B:22.3g
MATERIAL	201# steel

PRODUCT INFORMATION

3 scale rockers

Meet various disassembly needs

As thin as 0.09mm
Suitable for mobile phones with curved screen

Roller head
Easy to disassemble

Precision ruler
High elasticity

201# steel

Product List
