SECURELY UNLOCK THE SMART FAST CHARGE

Power up to 800W after secure unlocking (use your own power supply board), default maximum 220W

220W/800W

PRODUCT INFORMATION

Product Name

Visual USB Charger

Model number

BST-S2

Input voltage

110V-220V

Output voltage

5~20V-5A

Maximum current

12A

PD power

MAX. 100W

Port
maximum voltage

20V

Maximum
current of a single port

5A
