# DIGITAL SPIRAL HEAT GUN

Rapid temperature rise

ACCURATE TEMPERATURE CONTROL

# Four characteristics

automatic sleep

Exact temperature

Heat up quickly

Use safety

# Scope of use

Appliance Repair

Board soldering

Phone Repair

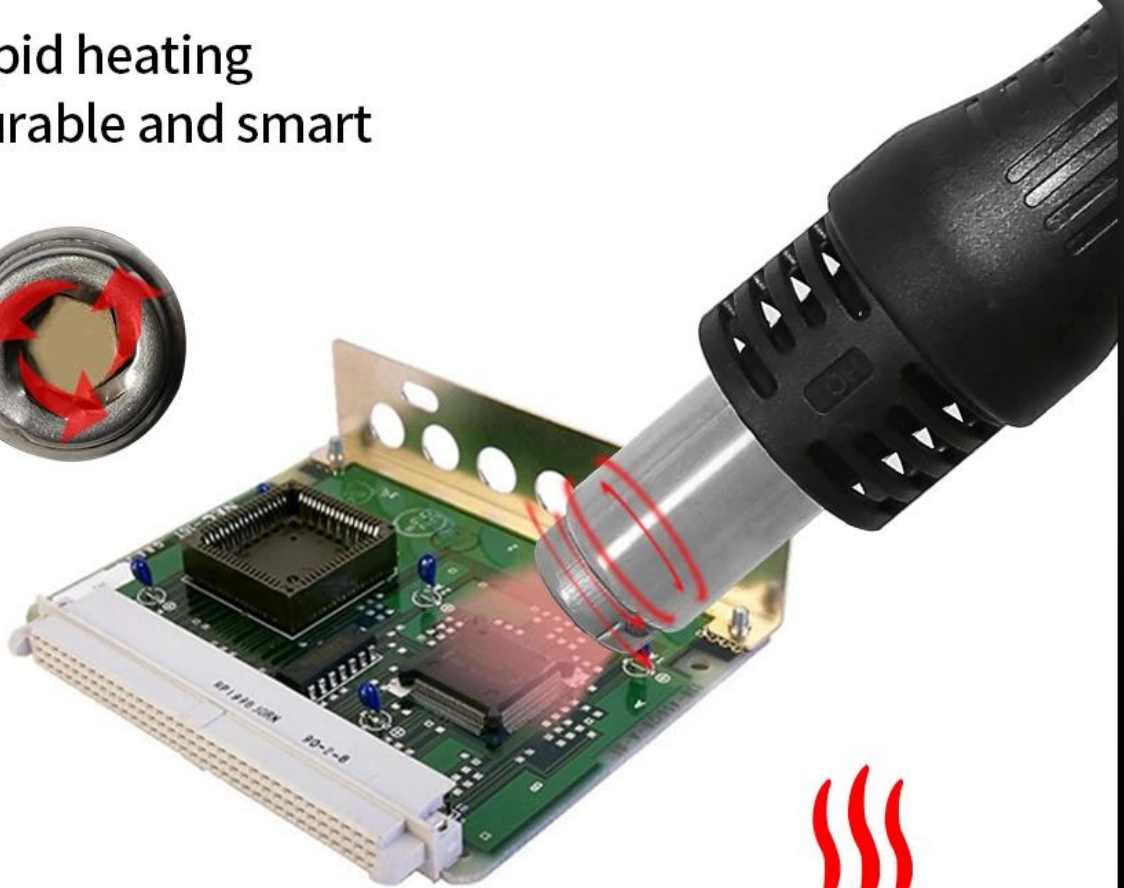

Heat shrinkable tube

The wind direction of the spiral evenly heats

rapid heating  
Durable and smart

100°C~500°C

## Product parameters

Model	SLD-858D
Product name	Spiral Heat Gun
Power	700W
Weight	1.40kg
Input voltage	220VAC 50/60Hz
Temperature control range	100°C ~ 500°C
Airflow	≈170cm/s
Air volume gear	A25~A99
ambient temperature	0°C ~40°C
Machine size	L150*W100*H135mm
Package Size	L265*W165*H155mm
