

HIGH TOUGHNESS

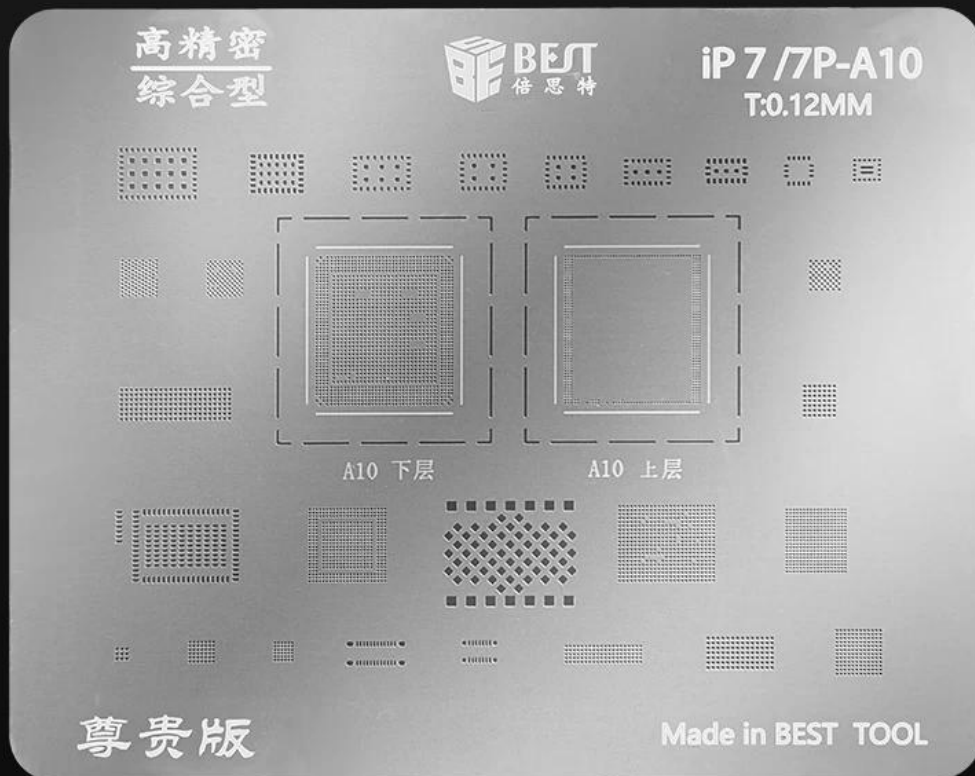

# BGA IC

## Soldering Reballing Stencil

### iP 7/7P-A10

Strong magnetic steel

## Product Usage

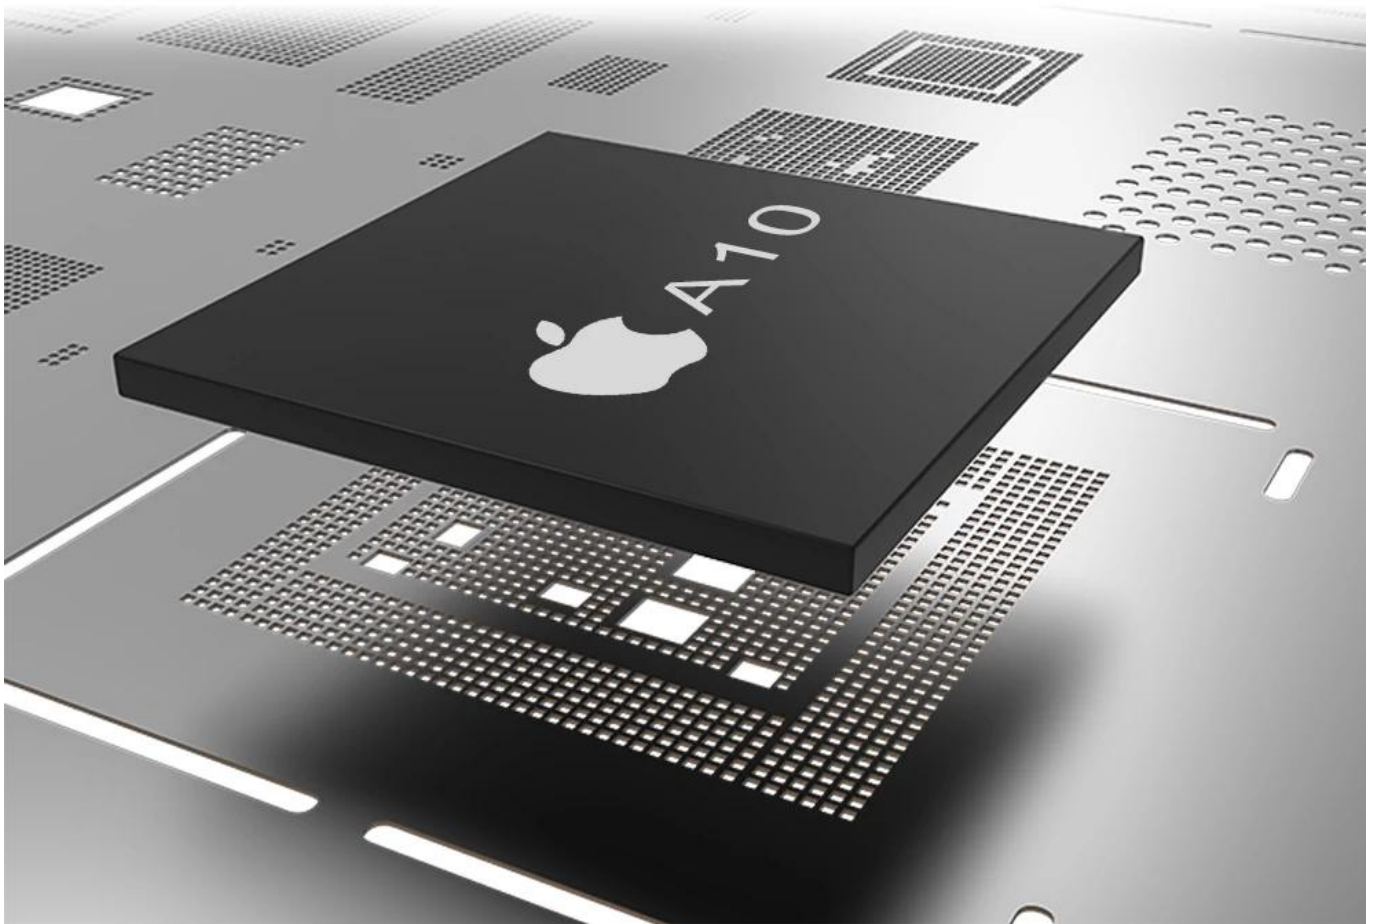

Model NO.	iP 7/7P-A10
Name	Reballing Stencil
Material	Strong magnetic steel
Melting point	700°C
G.W.	12.9g
Size	3.36*4.30 in.

---

Easily mounted on the steel mesh to make the chip fit more closely with the mesh Therefore.
