## PRODUCT DETAILS

Using high-precision equipment,  
laser type

304 high quality stainless steel  
hardness up to HRC45.  
Anti-rust, anti-corrosion,  
impact resistance.

Brands with models

Smooth seamless.  
Curved head design.  
Suitable for operation in a small space.

Applicable to PCB semiconductor, photovoltaic, microelectronics, aerospace, automobile manufacturing.  
Research institutes, jewelry and so on.

Precise maintenance

Maintenance disassembly

Folder jewelry

Phone Repair

Circuit board

Beauty industry

## PRODUCT PHOTOGRAPH

---

High quality stainless steel forging, indicating polishing processing, ear resistance, high temperature and corrosive characteristics, suitable for different operating conditions.
