ESD0002-013 Super fine tip straight (125mm)

ESD0002-014 Super fine tip straight (125mm)

ESD0002-015 Fine tip curved (125mm)

Precautions for use

- The tweezers are made of metal and have sharp tips. Do not inhale thermal fumes that rise in any way that may cause injury or damage.
- When working on electrical appliances, always be sure to first unplug the appliance or switch to prevent electrical shock.
- Do not use the tweezers on applications which are beyond the tweezers' working limit. Doing so may break the tip of the tweezers.

Details

Stainless steel tweezers, Tail polished,
no scratches, flawless surface

Using high-precision equipment
screen printing, legible

When two tip are folded,
smooth seamless

ABOUT US

Shenzhen Jinliyang Technology Co., Ltd is a professional large-scale manufacturer of Power bank and repairing tools for communication products.

With 20 years abundant experience in manufacturing and wholesale industry, we have set up subsidiary companies one by one in some cities in China and built up a complete sales network. Depending on quality products and the tenet of honesty and credit, we have established good long term cooperation with customers all over the world. Our brands "BEST" and "SUYOU" have been know abroad, and CE and Rohs certificates of our products are approval.

"Sincerity oriented and credibility Is the first" is our service tenet.
