

Positioning for 3 minutes
Initial curing 2 hours
All cured for 24 hours

N.W.:107.8G/50.5G/16.5G

The speed of solidification is very fast

Needle type hose

X8 Super Glue

Bracket repair

High elasticity

Product Usage

name	X8 Super Glue
model	BST-X8
material	Transparent adhesive sol
type of packaging	Needle flexible packaging
Viscosity	1.50Pa·s~2.50Pa·s
Drying time	3min
Curing time	24~48h
Solid content	30%-35%
Curing hardness	65-80A
Package dimensions	110mL/50mL/15mL
net weight	107.8g/50.5g/16.5g
Gross weight	123.3g/60.5g/21.8g

Four characteristics

Waterproof

Environmental protection

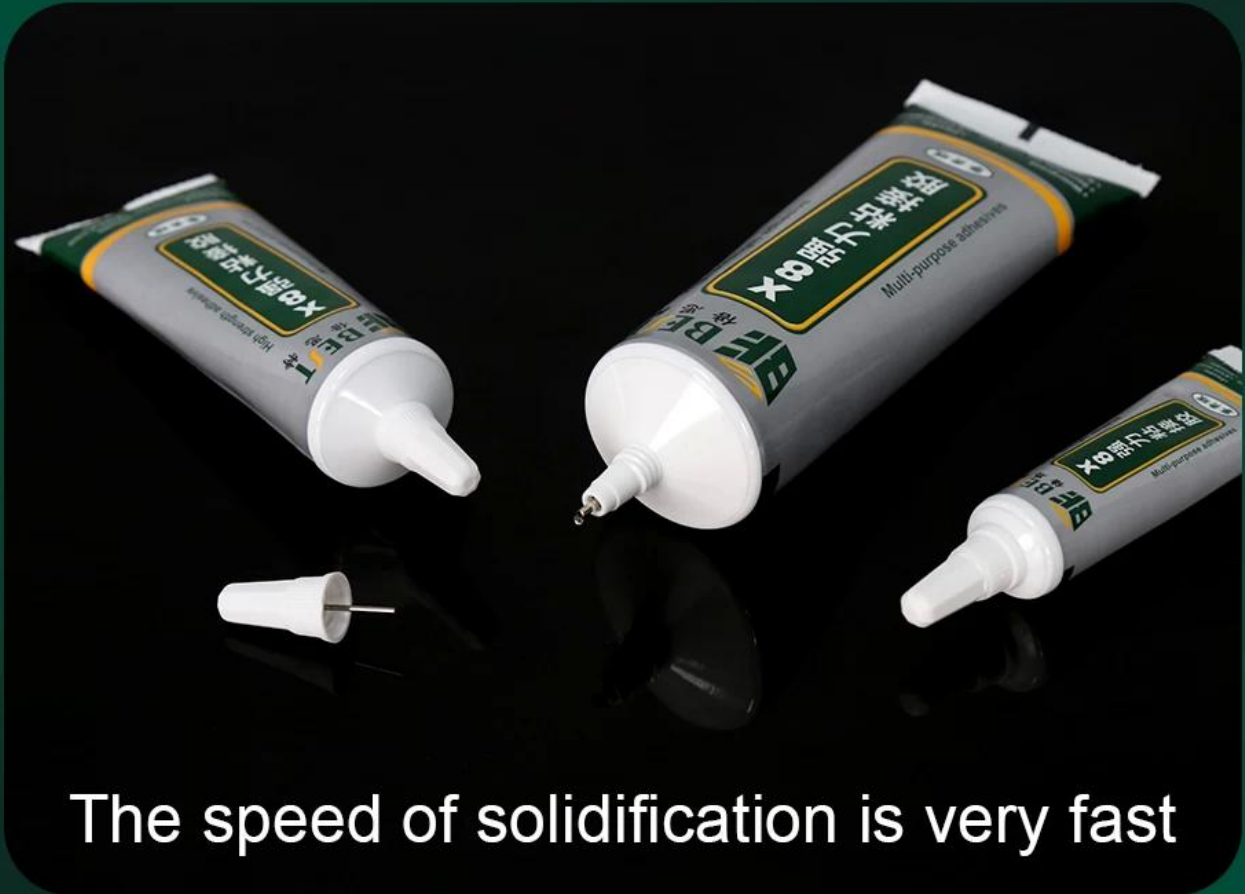

Transparent

Universal

Normal room temperature curing

The speed of solidification is very fast

G.W.:123.3G/60.5G/21.8G
