## Description

<b>Name:</b>	Welding head	<b>Model:</b>	900M-T-SK
<b>Brands:</b>	BEST	<b>Specification :</b>	SK
<b>尺寸:</b>	41mm	<b>Weight:</b>	73.5g
<b>Material:</b>	Copper, iron, nickel and chromium		
<b>Feature1:</b>	Oxygen-free copper material imported raw materials, thermal fast		
<b>Feature2:</b>	Up and down the tin and smooth, stable performance after welding joints smooth, uniform		
<b>Feature3:</b>	Take the tin and smooth, life over 70,000 solder joints		
<b>Feature4:</b>	Overall use of special machinery and production process, the precise size		
<b>Feature5:</b>	Electroplating using advanced nanotechnology, with superior corrosion, oxidation resistance
