

Features

1. 0.8D
2. 1.2D
3. 70000soomthly
4. 1.6D

Specification

900M-TB 900M-T-0.8D 900M-T-1.2D 900M-T-1.6D 900M-T-2.4D 900M-T1C 900M-T-2C 900M-T-3C 900M-T-4C 900M-TK 900M-TI 900M-T IS

Description

Name: Welding head

Model: 900M-T-SK

Brands: BEST

Specification: SK

尺寸: 41mm

Weight: 73.5g

Material: Copper, iron, nickel and chromium

Feature1: Oxygen-free copper material imported raw materials, thermal fast

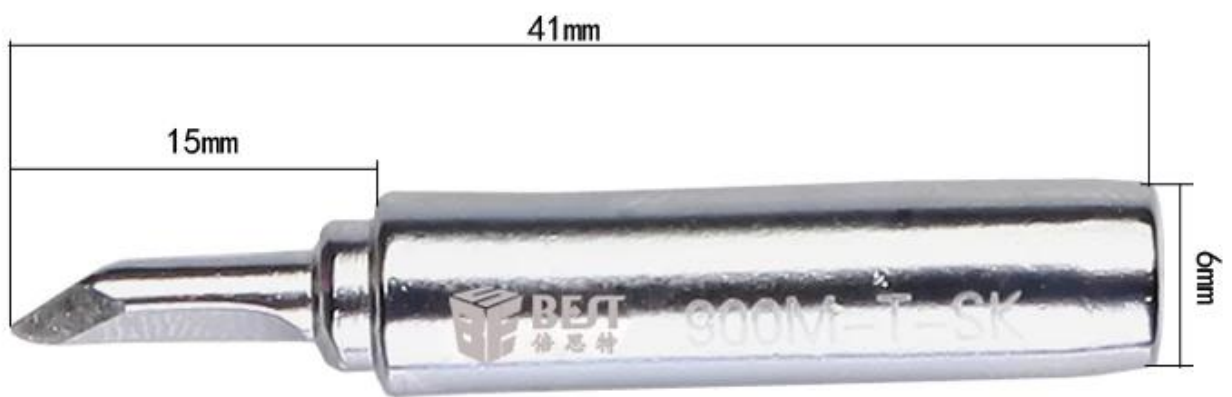

Feature2: Up and down the tin and smooth, stable performance after welding joints smooth, uniform

Feature3: Take the tin and smooth, life over 70,000 solder joints

Feature4: Overall use of special machinery and production process, the precise size

Feature5: Electroplating using advanced nanotechnology, with superior corrosion, oxidation resistance
