

Three blue square-shaped containers with silver lids, each featuring a small logo on the lid. The containers are arranged in a triangular pattern, with one in the foreground and two behind it. The lids are metallic and have a small, embossed logo that appears to be a stylized 'S' or 'B' inside a circle. The containers themselves are a solid, vibrant blue color.

PRODUCT DETAILS

Name: Alcohol bottle

Model: BST-40

Size: 80*50*40mm

Volume:100ML

Feature: 1.Press the bottle cap and the liquid can automatically flow out.

2.High quality and inexpensive.

3.Sealing strong and durable.

Bottle cap design

The bottle cap adopts non-magnetic stainless steel to prevent volatilization, durability and quality assurance.

Pump inlet design

The bottle mouth design precision valve stainless steel pump head, can effectively prevent the solvent leakage, volatilization and erosion.

The bottle design

Reinforced engineering plastic bottle body, use high-grade clinker to refine and become corrosion resistant, bottle body, resistance to impact, not easy to rupture.

Straw design

The pipette is made of extra thick plastic to resist acid and corrosion, and the quality is guaranteed.
