

Features

1. 节能环保
2. 使用寿命长
3. 噪音低，运行平稳
4. 维护方便

Description

Name: Welding head

Model: 900M-T-I

Brands: BEST

Specification: I

Size: 41mm

Weight: 73.5g

Material: Copper, iron, nickel and chromium

Feature1: Oxygen-free copper material imported raw materials, thermal fast

Feature2: Up and down the tin and smooth, stable performance after welding joints smooth, uniform

Feature3: Take the tin and smooth, life over 70,000 solder joints

Feature4: Overall use of special machinery and production process, the precise size

Feature5: Electroplating using advanced nanotechnology, with superior corrosion, oxidation resistance
