A yellow and red plastic toolbox is shown, open, revealing a cordless drill and a large set of drill bits. The drill has a red handle and a yellow body. The bits are organized in a grid within the toolbox. The toolbox has red latches on the sides.

Diagram illustrating the assembly of the screwdriver:

- Bits: 25mm
- Booster lever: 118mm
- Handle length: 142mm
- Longest: 245mm
