PRODUCT SIZE

A clear plastic storage box with multiple compartments, containing various tools and materials like wire spools, pliers, and a screwdriver. The box is open, showing its interior compartments and the items stored within. The lid is hinged and has two latches. The compartments are separated by white plastic dividers. The items include a spool of gold wire, a spool of green wire, a blue object, a green object, a red object, a black object, and a screwdriver with a red handle. The box is set against a black background.

Weight: 160g
