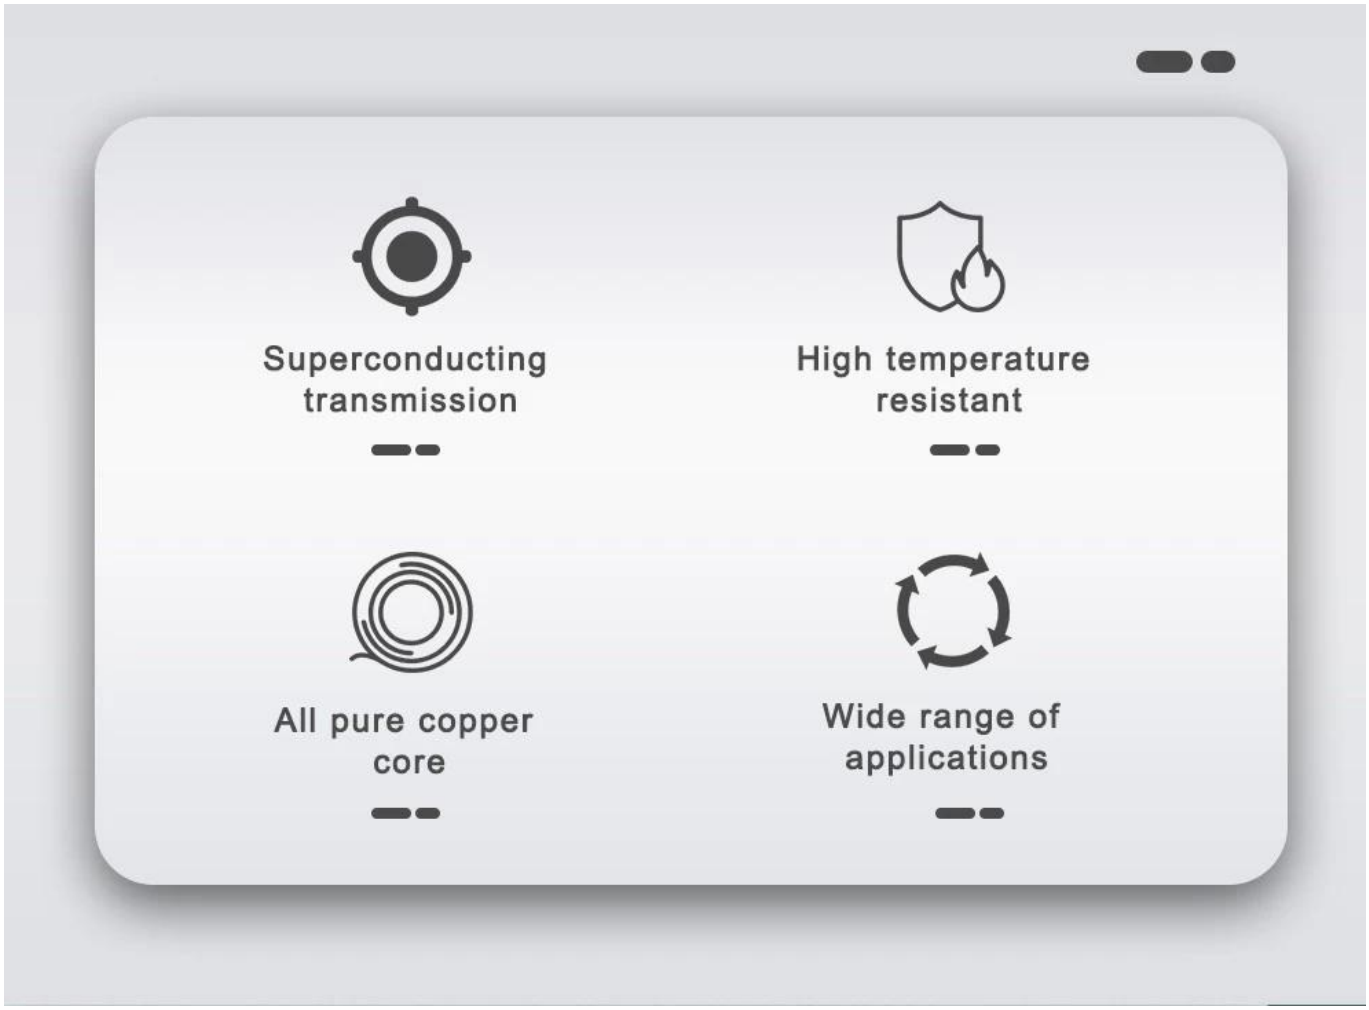
SUPERCONDUCTING

Stackable Banana Plug to Alligator Clip Test Leads



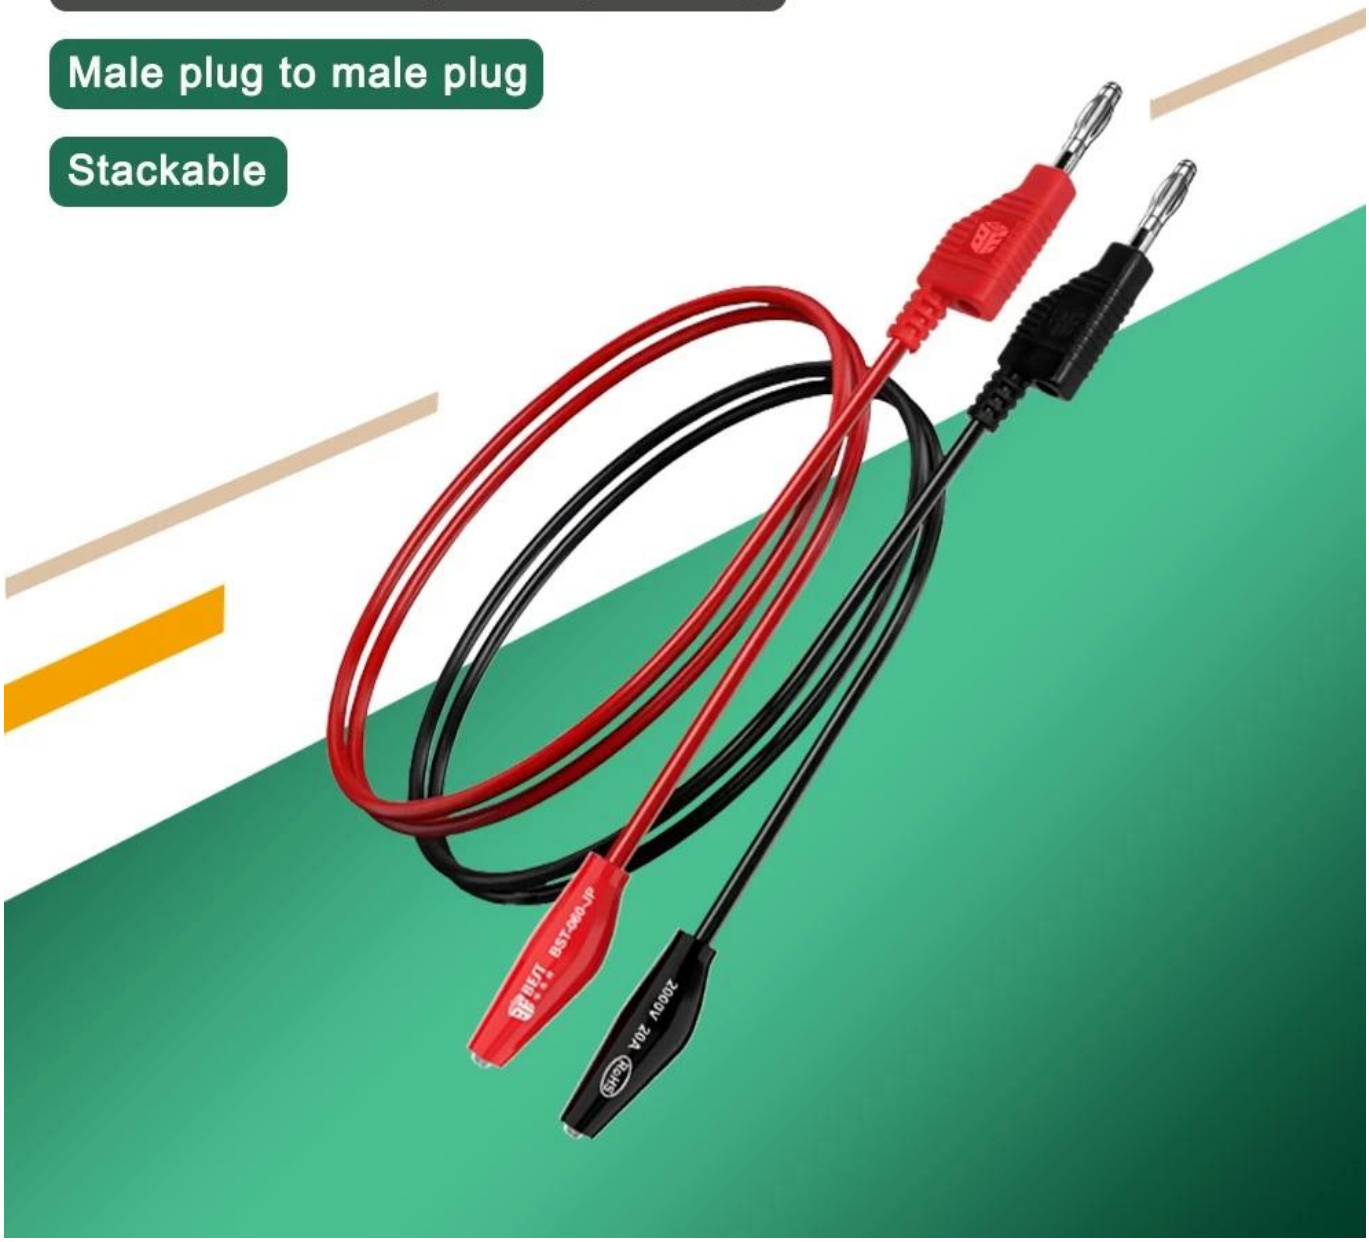
Superconducting transmission
High temperature resistant
All pure copper core
Wide range of applications

4mm Lantern Plug Power Supply Test Leads

4mm Banana Plug to Alligator Clip

Male plug to male plug

Stackable



Specifications

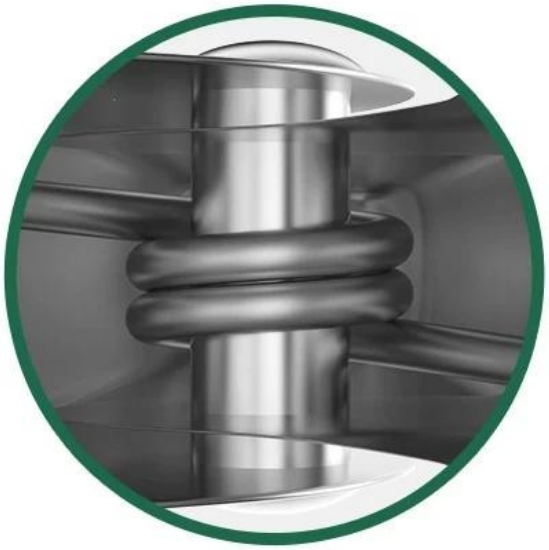
Product Type	Test Leads with Alligator Clips
Product Model	BST-060-JP
Material	Copper+Silicone+PVC
Safe Voltage	2000V 20A
Plug Size	4.0*44mm
Clip Size	40mm
Wire Length	100cm
Package Size	120*200mm
G. W.	61.2g

Insulating Case

Silicone case wrapped, no leakage

Alligator Clip

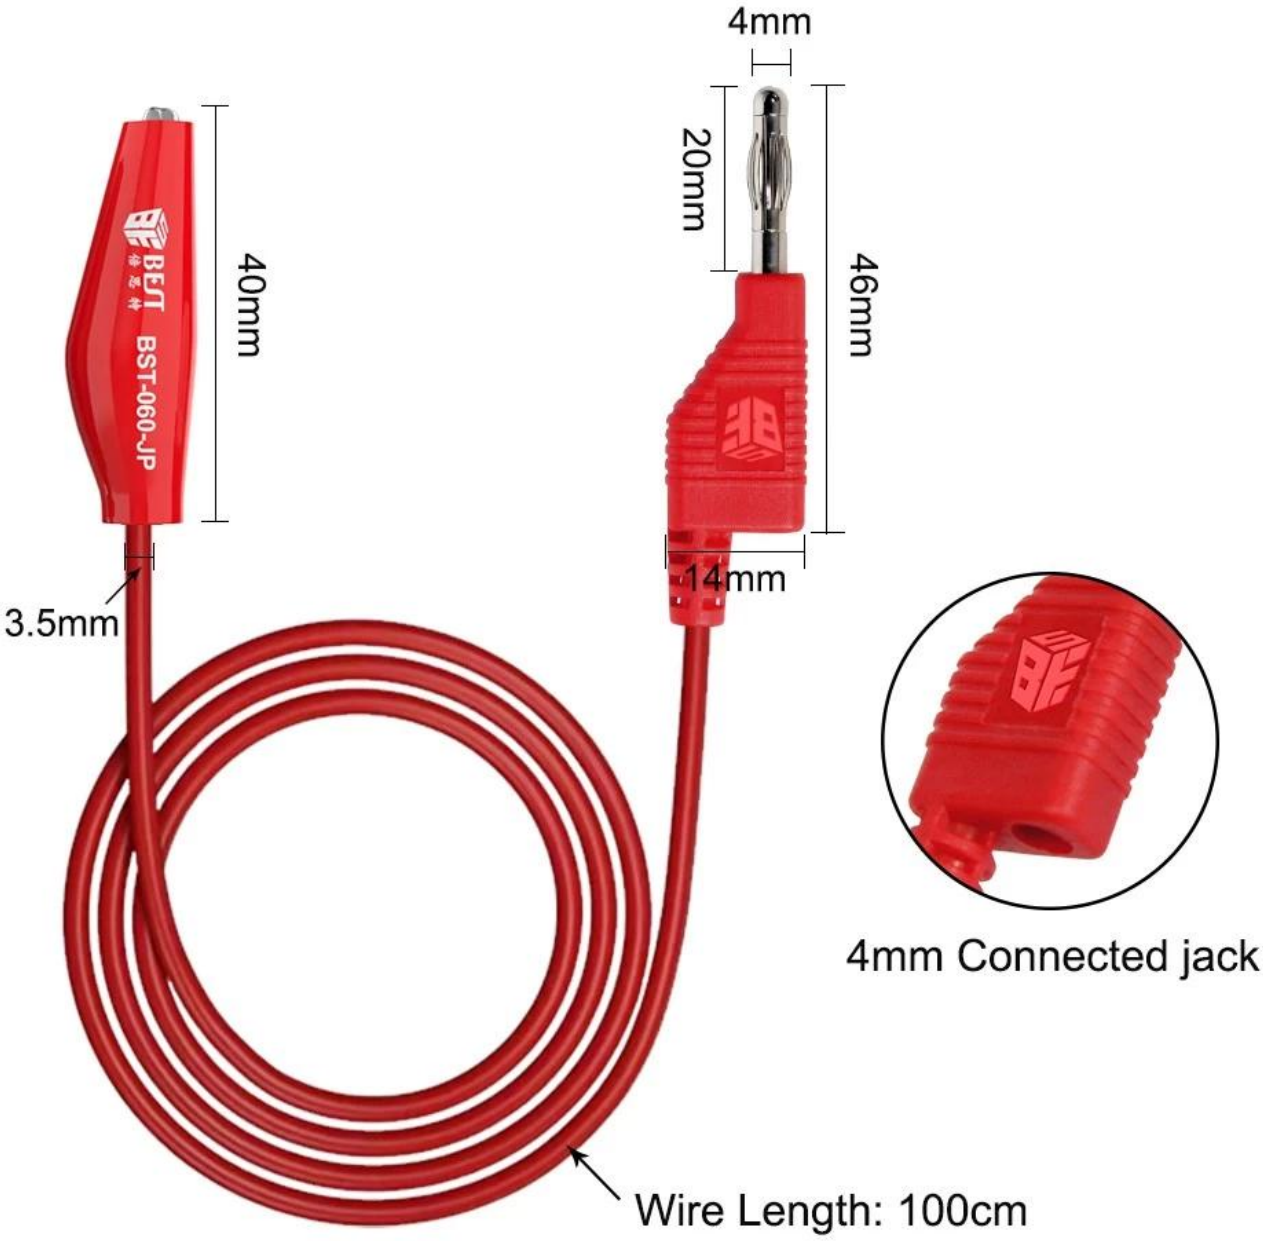
Bold spring, stronger bite force, not easy to fall off



Environmental soft silicone

Not easy to break, good toughness, strong tensile strength

Product Dimension



Bold copper wire cores

168pcs pure copper cores, fast transmission, stable current
