

Name: Rosin Type Solder Flux Paste

Model: BST-225

Appearance: Trasparent Solid

Features: Pure Rosin, Transparency, Halogen-free, Less Smoke

G.W.: 28g

Aluminum box packaging

Aluminium box packaging • Convenient and portable

Containing Rosin

- ✓ No acid
- ✓ No odor
- ✓ Low smoke
- ✓ High purity

One touch welding

Rosin type paste flux

Suitable for mobile phone motherboard repair welding
desoldering welding aid

无腐蚀性 无阻值 防氧化 特殊化学剂焊膏

SOLDER FLUX

Special chemical agent solder paste

One touch welding rosin type

BST-225

Product Parameters

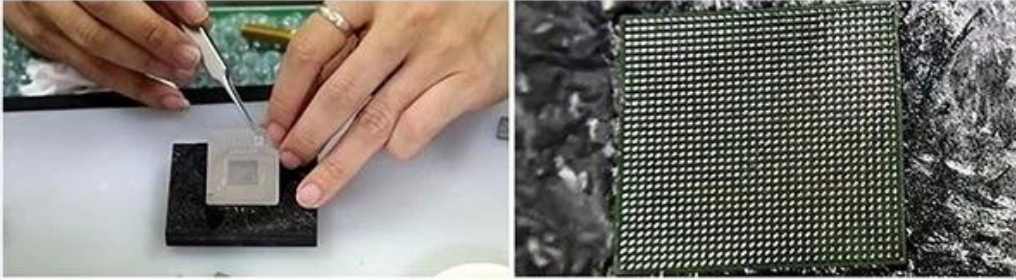

Product Specifications

Product Name	One touch welding rosin type paste flux
Product Model	BST-225
Product appearance	Yellowish transparent tape-like solid
Product Type	Halogen-free type
Storage environment	Shade for 12 months
Aluminum box size	φ46*20mm
Net Weight	20g
Gross weight	28g

We carefully do every product

Meet different soldering needs

CPU tin planting

BGA welding

Circuit board

PCB welding

Digital Maintenance

Home appliance maintenance
