

intelligent

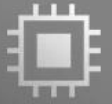

DIGITAL SPIRAL HEAT GUN

Rapid temperature rise

ACCURATE TEMPERATURE CONTROL

Four characteristics

automatic sleep

Exact temperature

Heat up quickly

Use safety

Scope of use

Appliance Repair

Board soldering

Phone Repair

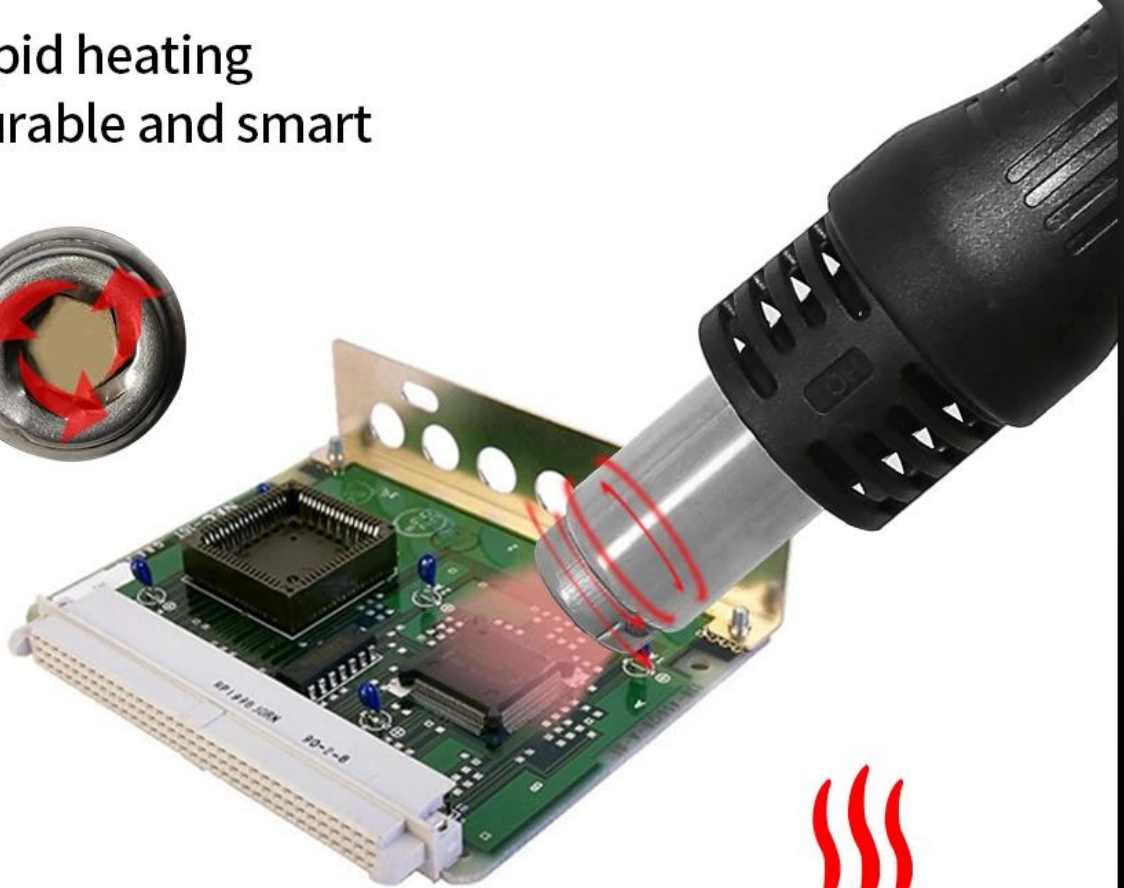

Heat shrinkable tube

The wind direction of the spiral evenly heats

rapid heating
Durable and smart

100°C~500°C

Product Description

Product parameters

| | |
|---------------------------|------------------|
| Model | SLD-858D |
| Product name | Spiral Heat Gun |
| Power | 700W |
| Weight | 1.40kg |
| Input voltage | 220VAC 50/60Hz |
| Temperature control range | 100°C ~ 500°C |
| Airflow | ≈170cm/s |
| Air volume gear | A25~A99 |
| ambient temperature | 0°C ~40°C |
| Machine size | L150*W100*H135mm |
| Package Size | L265*W165*H155mm |
