

High-speed and accurate transmission

Banana head double head test lead

Withstand voltage 2000V/20A, soft silicone wire
thick copper wire, high temperature/freeze resistance

Freezing and high
temperature resistant

Bold copper wire

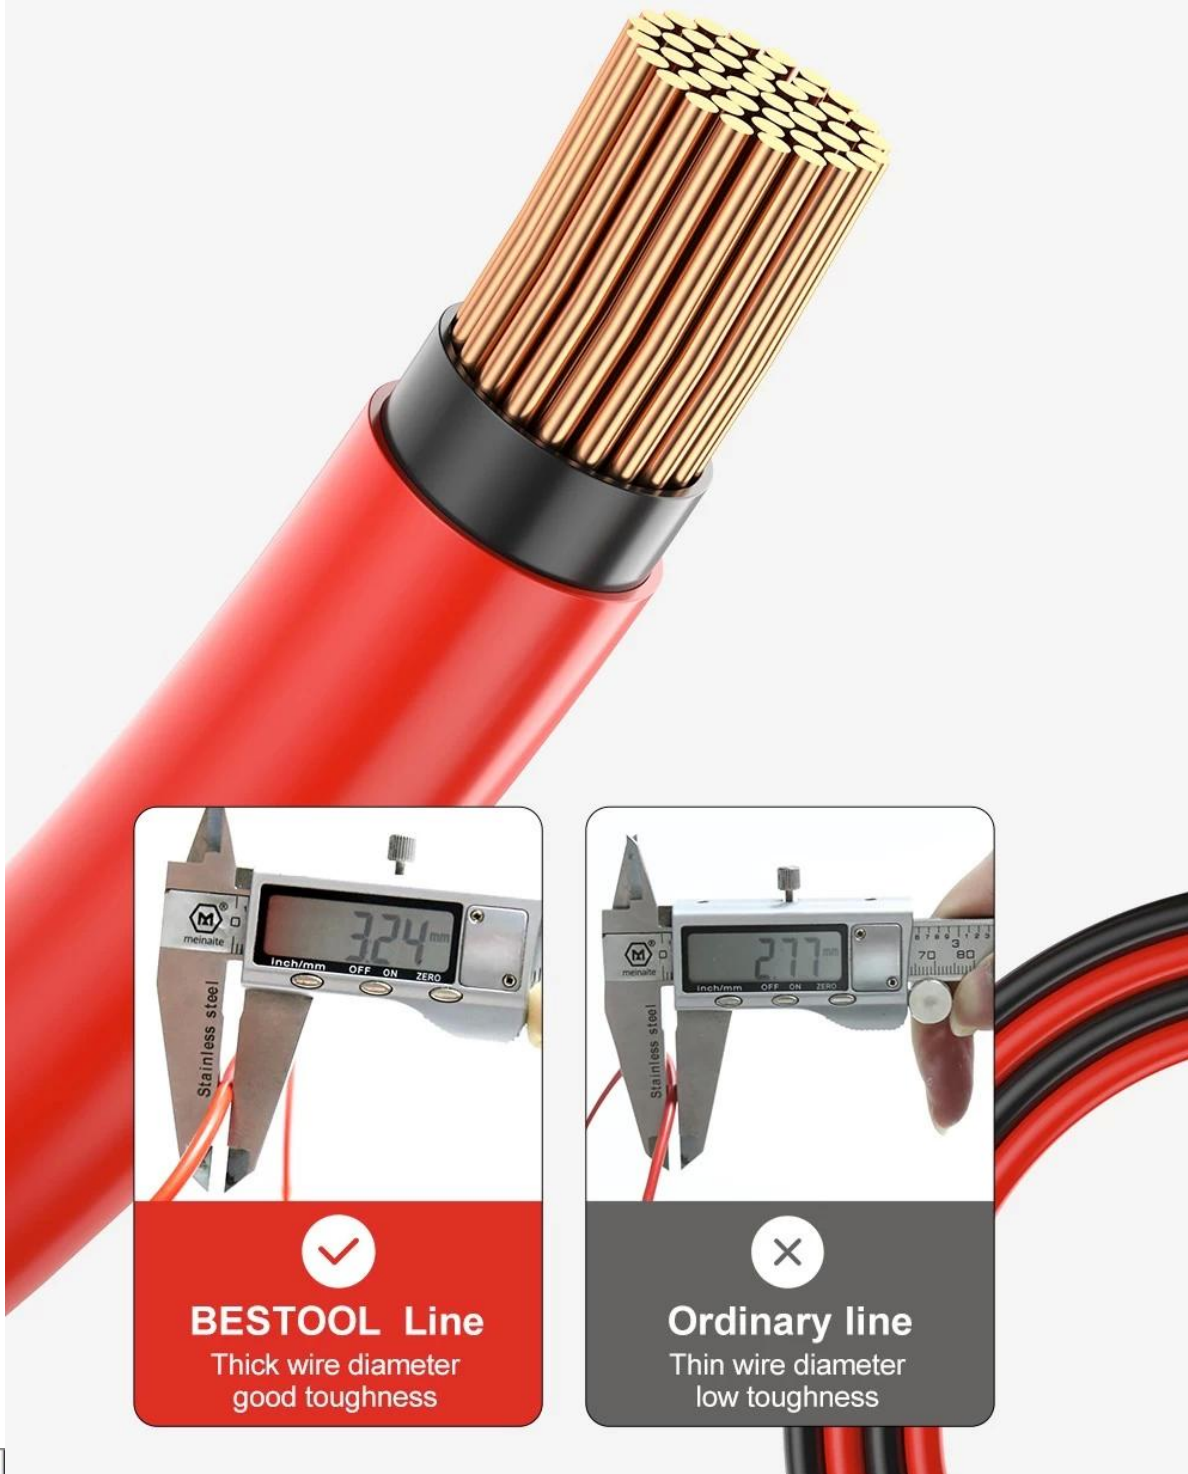

Anti
-break design

Fast transfer

Bold pure copper wire

High-quality materials cast good quality, copper wire is more accurate, double-layer protective rubber sleeve

High/low temperature resistant soft PVC wire

High-quality materials, anti-freezing and
anti-burning suitable for various operating environments

Low temperature resistant to -50°C
