

BST-211A / B Resistência a altas temperaturas de metal de dupla face desmontar a barra de alavanca

Descrição do Produto

Nome do Produto	desmonte a barra do corvo
Marca	BESTTOOL
Embalagem	98mm * 60mm 46.7g
Peso	R: 21,8g B: 22,3g
Tamanho	A: 145mm B: 149mm

Visão geral do produto

ROLLER METAL CROWBAR

Precision ruler

High temperature resistance

High toughness

Product Usage

MODEL	BST-211A,B
PACKAGE DIMENSIONS	210mm*68mm
GROSS WEIGHT	46.7g
NET WEIGHT	A:21.8g B:22.3g
MATERIAL	201# steel

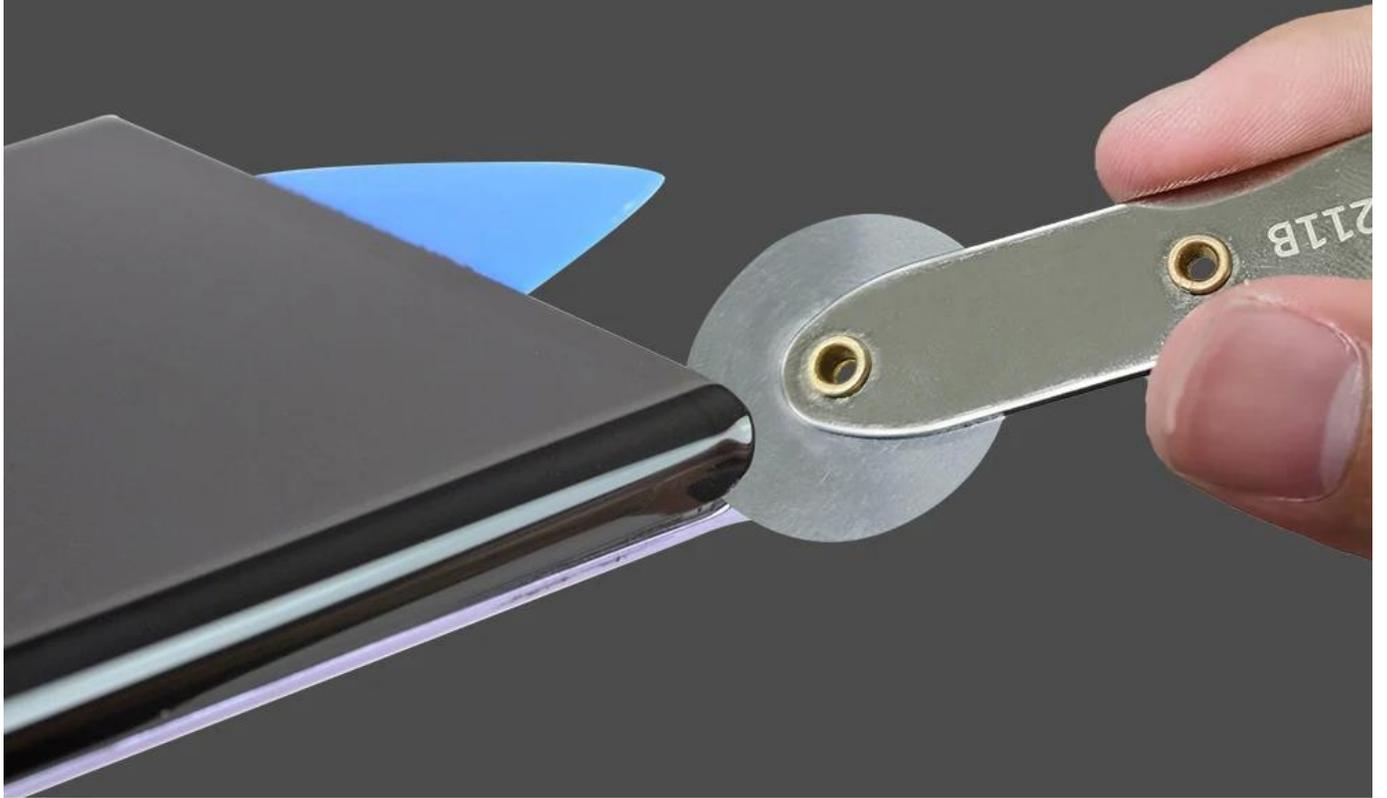

PRODUCT INFORMATION

3 scale rockers

Meet various disassembly needs

As thin as 0.09mm
Suitable for mobile phones with curved screen

Roller head
Easy to disassemble

Precision ruler
High elasticity

201# steel

Product List
