

## Features

1. Bom desempenho de calor
2. Tamanho da ponta de solda muito preciso
3. sem chumbo, estanho Tome soomthly, vida útil de solda mais de 70 mil pontos
4. A qualidade de confiança provado por mercado no exterior em Europa, América, Ásia, Oriente Médio e África.

## Specification

**Material:** Cobre, ferro, níquel e cromo

**Modelos:** 900M-TB 900M-T-0.8D 900M-T-1.2d 900M-T-1.6D 900M-T-2.4D 900M-T1C  
900M-T-2C 900M-T-3C 900M-T-4C 900M-TK 900M-T-IS 900M-TI

## Description

<b>Name :</b>	Welding head	<b>Model :</b>	900M-T-1.6D
<b>Brands :</b>	BEST	<b>Specification :</b>	1.6D
<b>Size :</b>	41mm	<b>Weight :</b>	73.5g
<b>Material :</b>	Copper, iron, nickel and chromium		
<b>Feature1 :</b>	Oxygen-free copper material imported raw materials, thermal fast		
<b>Feature2 :</b>	Up and down the tin and smooth, stable performance after welding joints smooth, uniform		
<b>Feature3 :</b>	Take the tin and smooth, life over 70,000 solder joints		
<b>Feature4 :</b>	Overall use of special machinery and production process, the precise size		
<b>Feature5 :</b>	Electroplating using advanced nanotechnology, with superior corrosion, oxidation resistance		

# Size

No. 900M-T-1.6D
