Stacked banana plug

Female expansion dock interface cable

BST-090-JP

Superconducting
transmission

High temperature
resistant

Expansion plug
1 to 4

Wide range of
applications

Parameters

| | |
|---------------|--|
| Product Type | Expansion Dock Interface Cable |
| Product Model | BST-090-JP |
| Material | Copper+Silicone+PVC+ABS |
| Safe Voltage | 2000V 20A |
| Dock Size | 33*27*20mm |
| Plug Size | 4.0*44mm |
| Wire Length | 8.5cm/80cm/40cm/40cm |
| Package Size | 120*200mm |
| G. W. | 100g |
| Accessories | Expansion dock*1, 80cm banana test line*1, 40cm banana test line*2 |

A single test lead can be used to measure voltage, etc.

Expansion dock usage display

One to four adapter, bidding farewell to the messy wires on the desktop,
easier to use one handed testing

A single test lead can trigger the motherboard to start up
