**Precautions for use**

- The tweezers are made of metal and have sharp tip. Do not touch the tweezers with bare hands. Be careful not to touch the tweezers with your face and do not use the tweezers near children.
- When working on electrical appliances, always be sure to first cut off the power supply in order to prevent electrical shock.
- Do not use the tweezers on applications which are beyond the tweezers' working limit. Doing so may break the tip of the tweezers.

## Description

Category:	Color coated Tweezer
Model:	BST-10C
Material:	302Stainless steel
Magnetism:	Non
Surface treatment:	Paint
Tip strength:	>HRC40°
Length:	110.8mm
Weight:	22g(with package)
Packing:	20pc/box
Weight/box:	520g
Size of box:	204*163*45 (L*W*H)
Size of carton:	500*340*430mm (L*W*H)
Quantity of carton:	840pcs
Weight of carton:	19.5kg

## Details

Stainless steel tweezers, Tail polished,  
no scratches, flawless surface

Using high-precision equipment  
screen printing, legible

When two tip are folded,  
smooth seamless

# ABOUT US

Shenzhen Jinliyang Technology Co., Ltd is a professional large-scale manufacturer of Power bank and repairing tools for communication products.

With 20 years abundant experience in manufacturing and wholesale industry, we have set up subsidiary companies one by one in some cities in China and built up a complete sales network. Depending on quality products and the tenet of honesty and credit, we have established good long term cooperation with customers all over the world. Our brands "BEST" and "SUYOU" have been know abroad, and CE and Rohs certificates of our products are approval. "Sincerity oriented and credibility is the first" is our service tenet.
