WELGHT:120G

FRONT

BACK

1. Ergonomic design, type of skin comfortable non slip handle.  
 2. Environmental quality PVC manufacturing, can be repeated use is not easy deformation. PVC multi angle can debug detachable powerful suction, can be very good to improve the work efficiency.  
 3. Detachable greater than the mobile phone products, such as flat-panel computer products.  
 ⚠ Must open all the fixed screws, can be all of the above. On the back of some models of mobile phone for aluminum alloy grinding process or uneven granule feeling process manufacturing, PVC suction can not play normal performance. If you want to use in this type of mobile phone, please paste on the back slip protection film, then the normal use.
